Background/Supporting Information

The Police Department received \$79,016 in 2001 from the Minnesota Department of Public Safety to address underage drinking in the city over a two-year period. The Minneapolis Police Department will receive \$3,900 in additional funding to be shared with the Health and Family Support Department to further city efforts to reduce youth access to and consumption of alcohol over an additional six-month period. The Police and Health and Family Support Departments will use the additional funds to increase compliance checks, conduct fake ID training and education for business owners, and help support youth alcohol prevention programming at two local congregations.
